### Letter from the President...

Happy Holidays! Surprisingly, I don't have much to say this month. So I'll take this time to thank all of the tremendous teachers, staff, parents and students at Leggee for all that they do! We have a great group of parents who step up and provide food and their time to help support the school and we also get a lot of support as we continue our efforts in funding great programs and technology at Leggee. Our teachers and staff do a great job in keeping the kids motivated to learn and make it fun for them as well. Mr. Iddings and Mrs. Tontillo make a great team in working to provide a safe, fun and friendly learning environment for our kids. Finally, our great PTA members who keep us moving right along! THANK YOU ALL!

I wish you all a happy and safe Holiday Season and a Happy New Year!

Jen Besch
